**"70-30-101. Eminent domain defined Definitions.** As used in this chapter, the following definitions apply:

(1) "Appraisal" means the written estimate of the fair market value of a property by a certified general appraiser in accordance with [section 1].

(2) "Comparable sales" means the value of a property interest that is similar to a property being appraised and that is sold by one party to another in an arm's-length transaction.

(3) ~~Eminent domain is~~ "Eminent domain" means the right of the state or its agents in charge of the public use to take private property for public use. This right may be exercised in the manner provided in this chapter.

(4) "Merchant transmission line" means a transmission facility that transmits electricity for which costs are not established and recovered by a Montana regulatory authority, the owner or operator of which charges rates or assumes market risks for transmitting electricity for third parties that meet current criteria for evaluating merchant transmission projects by the federal energy regulatory commission. A merchant transmission line consists of a single transmission line with specified termination points constructed and entered into service as a single unit.

(5) "State or its agents" means an entity able to take private property in accordance with this chapter for a public use enumerated in 70-30-102. An entity may otherwise be delegated the power of eminent domain in statute for a public use enumerated in 70-30-102.

(5) "Subject property" means the property interest being appraised."

turnpike roads, and railroads;

(31) canals, ditches, flumes, aqueducts, and pipes for:

- (a) supplying mines, mills, and smelters for the reduction of ores;
- (b) supplying farming neighborhoods with water and drainage;
- (c) reclaiming lands; and
- (d) floating logs and lumber on streams that are not navigable;

(32) sites for reservoirs necessary for collecting and storing water. However, reservoir sites must possess a public use demonstrable to the district court as the highest and best use of the land.

(33) roads, tunnels, and dumping places for working mines, mills, or smelters for the reduction of ores;

(34) outlets, natural or otherwise, for the flow, deposit, or conduct of tailings or refuse matter from mines, mills, and smelters for the reduction of ores;

(35) an occupancy in common by the owners or the possessors of different mines of any place for the flow, deposit, or conduct of tailings or refuse matter from their several mines, mills, or smelters for reduction of ores and sites for reservoirs necessary for collecting and storing water for the mines, mills, or smelters. However, the reservoir sites must possess a public use demonstrable to the district court as the highest and best use of the land.

(36) private roads leading from highways to residences or farms;

(37) telephone or electrical energy lines, except that:

(a) local government entities as defined in 2-7-501, municipal utilities, or competitive electricity suppliers may not use this chapter to acquire existing telephone or electrical energy lines and appurtenant facilities owned by a public utility or cooperative for the purpose of transmitting or distributing electricity or providing telecommunications services; and

(b) a merchant transmission line may not use this chapter to acquire property;

(38) telegraph lines;

(39) sewerage of any:

(a) county, city, or town or any subdivision of a county, city, or town, whether incorporated or unincorporated;
